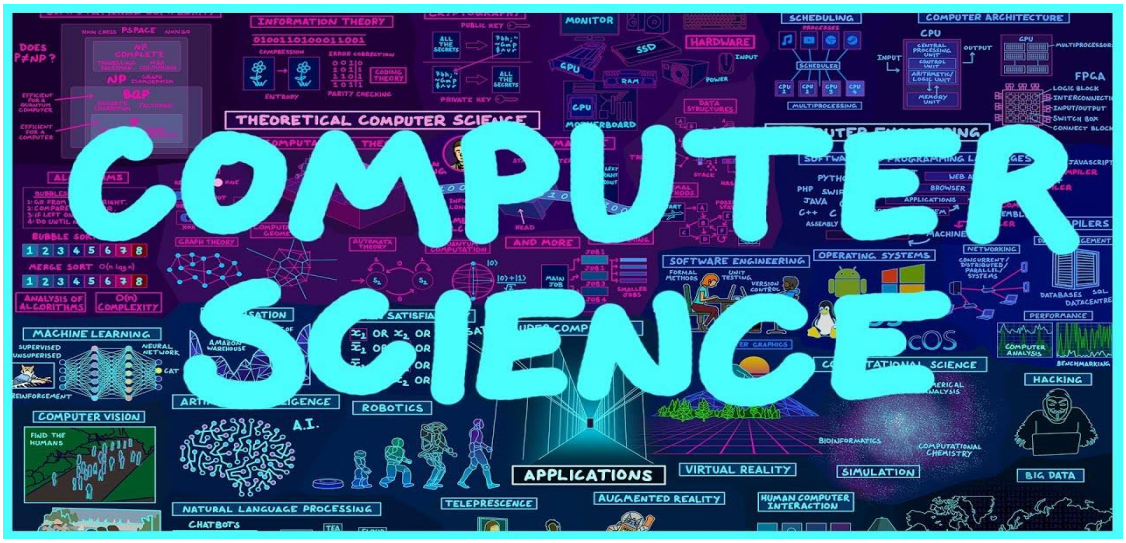
NYC Department of Education

A School District 26 & CDEC 26 Family Workshop

We ❤ Computer Science

A *Hands-On* Computer Science Introductory Workshop For Parents & Students (grades 5 & up)



Learn how the new Computer Science for All initiative is taught in your child's Middle School classroom. Experience coding concepts both on and off the computer.

Join us on:

Tuesday, February 13, 2018
6:15 – 8:00 PM
MS 74

61-15 Oceania St. Bayside, Queens

This workshop is in collaboration with the District 26 Superintendent and co-sponsored by the Community District Education Council 26 (CDEC 26)

For information and registration please contact D.26 Family Coordinators:
Lori Butera at lbutera@schools.nyc.gov, 718.347.6788 or
Kim D'Angelo, kdangelo4@schools.nyc.gov, 718.631.6944
