

The Hance Family Foundation is proud to present
an empowering workshop for parents
Raising a Beautiful Child
The Emma, Alyson, & Katie Project

Raising A Beautiful Child gives parents information that will help improve their child's self-esteem. This program will reinforce the following:

Ability to
gain satisfaction
from helping
others

Ability to
develop coping
skills

Ability to
develop an
accurate
self-awareness

Ability to
give and
receive
compliments

Increased
Independence
in their home
& community
